

10 REASONS WHY YOU SHOULD CHOOSE AZTEC BOLTING SERVICES

ON SITE SERVICE AVAILABLE 24 / 7

Providing unparalleled customer service to keep your job moving. Our on site field technicians will help save you man hours, increase production, reduce downtime, and advance your project so you are no longer burdened with the cost of untimely delays.

EXPERTS IN A VARIETY OF INDUSTRIES

To ensure your jobsite is running efficiently, our experts stay on top of potential issues related to the Oil & Gas, Pipeline, Refining, Petrochemical, Wind Industry, and Natural Gas industries. Since we have been through the processes before we will prepare you in advance for any snags and make sure your project is completed without complication.

CONVENIENT MOBILE UNIT SERVICES

We bring service and repairs to you, so you don't have to place your project on hold. From calibration services and repairs to training and assistance maintaining inventory, our mobile unit is here to make your life easier. This service is available anytime, anywhere from the Gulf Coast area, West Texas, Louisiana, and Oklahoma.

CALIBRATION SERVICES

With moving parts that are subject to wear, torque wrenches regularly need calibration to ensure your tools are as accurate and effective as possible. Renowned for our professional calibration services, we provide impeccable tool calibration for hydraulic, pneumatic, and electrical devices.

OPTION FOR TOOL RENTAL

We know how tough bolting applications can be on your gear. Tools often break down, need repairs, or aren't ready for use. To help save your project incurred costs from purchasing new expensive tools, we offer rentals and a variety of tools so you can keep your project moving while your tools undergo repairs.

CBT CONTROLLED BOLTING TRAINING ON SITE

As the old proverb states: "Give a man a fish, and you feed him for a day. Teach a man to fish, and you feed him for a lifetime." Our experts will instruct CBT on site, so your critical bolting applications are the best they can be.

USE HIGHLY RESPECTED BRANDS

We are proud distributors of a variety of bolting and industrial products from leading manufactures to fit your specific job. With our invaluable partners, we are able to offer superior product availability, support, competitive pricing, and warranties. Some of our trusted brands include Enerpac, Norbar, Skidmore-Wilhelm, Stahlwille, and RAD.

LARGE INVENTORY OF BOLTING AND INDUSTRIAL PRODUCTS

Our supply of bolting and industrial products gives our customers assorted options to complete jobs and achieve maximum results. Whether you are looking for purchase or rent, we offer a range top-performance tools to fit your specific industry and application.

Our experts have acute consideration of joint and bolt integrity to make sure your project is completed safely and to the highest standards. We understand the underlying factors that can impact nuts and bolts during tightening and tensioning and prepare with high quality products and procedures to ensure safety and longevity.

COMPREHENSIVE KNOWLEDGE OF JOINT AND BOLT INTEGRITY

MEMBERS OF ACCREDITED ASSOCIATIONS

As members of accredited associations, such as AWEA, we utilize the latest bolting technology to provide exceptional service to our customers. Our experts are dedicated to understanding all aspects of bolting solutions in our specific industries, and keep up to date on new standards to ensure the most sophisticated processes are utilized.
